

Naturalization Examination Student Results

Beginning with the 2021-2022 school year, Indiana Code 20-30-5-7(d) requires, not later than November 1, 2022, and not later than November 1 each year thereafter, the Indiana Department of Education (IDOE) to report student data from the naturalization examination to the Indiana General Assembly. Therefore, school corporations must provide the naturalization examination to students completing a U.S. government course and report the results to the IDOE.

Each student enrolled in a U.S. Government course where credit is awarded for General, Core 40, Core 40 with Academic Honors, or Core 40 with Technical Honors designation is **required** to take the naturalization examination provided by the United States Citizenship and Immigration Services (USCIS) as administered by the student's high school. U.S. Government courses include Advanced Placement, International Baccalaureate, dual credit, and Cambridge International courses.

Please note that students do not need to pass the naturalization examination in order to pass the U.S. Government course. Retests are not required or published in the results.

School Year: 2022-2023

School Name: Phalen Virtual Leadership Academy

Number of students who completed the Naturalization Examination: 11

Number of students who passed: 11

Percentage passed: 100%
