

## Where the Plus Means So Much More!

Fair Campus | Maybury Campus | Napoleon Campus

Dear A+ Arts Academies Families,

We hope this note finds you and all of our scholars safe and well. We announced school closure for today, **Friday, January 7, 2022** in alignment with Columbus City Schools. As a reminder, our bus services are provided by Columbus City Schools. We follow Columbus City Schools' closures regarding transportation, inclement weather, or issued public health and safety advisories. Therefore, when Columbus City Schools close, we close as well.

We recognize the hardship caused today by the late release of information regarding transportation. We are actively working with the Columbus City School Transportation Department to improve communications and the timeliness of these notifications. We are committed to providing information to our families and staff about school closures due to inclement weather or transportation issues as soon as humanly possible so that you can make the necessary adjustments. We will always do our best to minimize disruptions for scholars, families, and staff.

To help support this effort, we need you to ensure that your campus has the most updated contact information (i.e., *phone number, email address, emergency contact*). We actively send notifications through Class Dojo, Kickboard, our weekly SMORE newsletters, Bright Arrow messages, our website, and Facebook. Families are encouraged to check the website and follow the school's Facebook page for school news and updates.

Thank you for giving us grace as we work through this challenge, and know that we are not alone as our neighboring districts are facing very similar circumstances. Thank you in advance for your patience and understanding during these very difficult times.

If you have any questions, please feel free to reach out to your child's building principal.
