

### Family Life

Happily married for the past eight years. My wife and I have the pleasure of raising two awesome daughters. We value family time and try our best to give our children a well-rounded experience of the world around them. We spend a lot of time outdoors, traveling abroad, and visiting family in other cities and states.

## Meet

### Principal at Middlebury Preparatory Academy Mr. Calvin Clark

"It is an absolute honor to serve as principal at Middlebury Preparatory Academy. In just a short period of time, this community, it's families and stakeholders, have put given me an opportunity to serve students in education. I have pledged my entire 17-year career to advocating and educating today's youth. I am eager and excited to take the lead in putting our scholar's educational needs first and creating a school environment that is positive and welcoming. I am inspired by the opportunity to help our scholars learn and grow, as I do so as well. I look forward to working with our teaching, support, and administrative staff to ensure that Middlebury strives for excellence and gets to know the feeling of academic achievements and accomplishments on a more consistent and permanent basis."

### Education and Experience

Starting as an Associate Teacher Counselor for Positive Education Programs in Cleveland, Ohio, it was there Mr. Clark realized that he wanted to advocate for children and further pursue a career in public education. After several years at PEP, he was assigned his first role as a school counselor for East Cleveland City schools. Serving in this role for seven years allowed him to experience administrative responsibilities, as well as perform tasks associated with curriculum, assessments, building operations, and school safety. He has served on the safety committee, Building Leadership Team, District Discipline Committee, and coached girls' track and boys' basketball at the middle school level. He was also the Dean of Students in 2018 and appointed to the first Assistant Principal position at Heritage Middle school in East Cleveland in 2019. His educational journey led him back to Cleveland State where he is currently enrolled in the Inspired Leadership Program for administration.

### PLA's Core Value:

#### Children First

"Work to ensure that all interactions and decisions put our scholars first."
