

## Student Meals Form 2022-2023 SY

Hope Community PCS has partnered with Revolution Foods to provide healthy and nutritious USDA-approved breakfast and lunch to all students. Learn more about our vendor by visiting <https://www.revolutionfoods.com/>

Our meal program is FREE for all registered students at Hope Community PCS. In order to participate, please complete the student meal form below to ensure the preferred meals are ordered for your child each day. If your child has any dietary restrictions, please indicate that here and attach your completed medical substitution form.

If you have any questions or concerns, please email our school operations team at [operations@hopetolson.org](mailto:operations@hopetolson.org).
