

**WELCOME TO
PHALEN LEADERSHIP
ACADEMIES**

**YOUR GUIDE TO
KINDERGARTEN READINESS**

ABOUT PLA

Phalen Leadership Academies INDY (PLA), is a nonprofit network of high-quality, A-rated, tuition-free public schools. We help young scholars excel in academics and grow as well-rounded individuals ready to take on leadership roles in school in their communities, and in the world.

Our scholars experience effective learning with high-quality teachers in small class sizes. We teach standards-based reading and math curriculum while integrating technology to help our scholars prepare for their futures. Our scholars also complete service-based projects and learn character development designed to inspire strong community and world leaders.

Our ultimate goal is that our scholars master key academic skills, and demonstrate strong character as exhibited by honesty, service to others, a superior work ethic, and a strong vision for and belief in their futures.

WHY CHOOSE PLA?

**Tuition-Free,
A-Rated
Schools**

**Free iPads &
Chromebooks***

*not available for PLA Virtual

**Dedicated
Teachers &
Staff**

**Weekly Meal
Distributions
for Families**

**Free Summer
Learning
Program**

WAYS TO PREPARE

Children learn many new skills during the kindergarten experience. Below is a list of activities and tactics that you and your child can work on together to better prepare them for when they start school.

- + Say body parts
- + Learn names of immediate family
- + Say phone number & address
- + Visit public places like parks & libraries
- + Initiate frequent social interaction
- + Teach acceptable ways to disagree
- + Play that teaches hand-eye coordination
- + Encourage work values (effort, persistence, initiative)
- + Recognize basic shapes
- + Count from 0-10
- + Say (not sing) the ABC's
- + Talk positively about school
- + Encourage physical activity everyday
- + Establish reasonable limits on behavior
- + Read to them & discuss the story
- + Encourage social values (helpfulness, cooperation, sharing)

ESSENTIAL SKILLS CHECKLISTS

Intellectual: Does your child...

- | | |
|--|--|
| <input type="checkbox"/> Hold a book upright and turn pages left to right? | <input type="checkbox"/> Recognize at least ten letters of the alphabet? |
| <input type="checkbox"/> Tell and retell familiar stories? | <input type="checkbox"/> Know colors, shapes, and sizes? |

Social: Can your child...

- | | |
|---|--|
| <input type="checkbox"/> Listen to an adult & follow simple instructions? | <input type="checkbox"/> Play with other children without hitting or biting? |
| <input type="checkbox"/> Sit for short periods of time? | <input type="checkbox"/> Cooperate with other children? |

Personal: Without help, can your child...

- | | |
|---|--|
| <input type="checkbox"/> Tie their own shoes? | <input type="checkbox"/> Eat with silverware unassisted? |
| <input type="checkbox"/> Snap, button, zip, & buckle? | <input type="checkbox"/> Wash their hands? |
| <input type="checkbox"/> Recognize their own possessions? | <input type="checkbox"/> Blow their nose & cover a sneeze? |

Health: Has your child...

- | | |
|--|---|
| <input type="checkbox"/> Had all required immunizations? | <input type="checkbox"/> Developed a regular meal schedule? |
| <input type="checkbox"/> Had a recent health check-up? | <input type="checkbox"/> Learned to run, skip, jump, climb? |

READING

Prior to kindergarten, children typically learn the concepts of reading through games and activities. Many of these skills are learned through modeling.

Recognize spaces between words

Identify the different types of punctuation

Recognize upper and lower case letters

MATH

The development of number concepts—classifying, ordering, counting and time and space relationships – is directly related to children’s ability to perform mathematical tasks throughout their school years and the rest of their life.

Observe page numbers

Compare sizes: big, little, middle

Observe position in space: up/down, under/over, in/out, beside/between

SCIENCE

As children mature, they become more curious about their environment and begin to interact with their surroundings. This is the best time to introduce them to science. Rich sensory experiences (seeing, tasting, touching, hearing, and smelling) can help children become even more observant about the world around them.

Observe what is happening

Predict what might happen

Try to make sense of observations

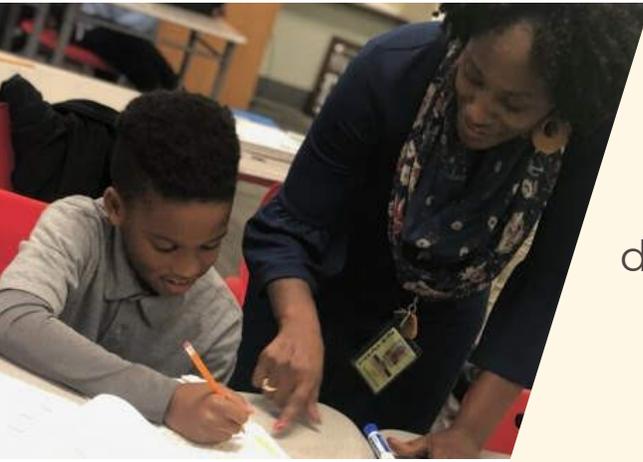

THE BASICS

Set your child up for academic growth and success before they start kindergarten by discussing and reviewing the basic principles of reading, math and science listed above.

TESTIMONIALS

"Because I have seen so much progress in all of my students, I do believe that PLA is something really phenomenal. PLA definitely has something exceptional going on here."

2nd Grade PLA Teacher

"Phalen has become one of the country's leading education reformers..."

**David Von Drehle,
TIME Magazine, 2010**

"My son is a recent transfer from another school. He's only been at PLA for about a month and I love it!...His teacher and staff are all very caring and passionate about the kids and their education. My only regret is not enrolling him at PLA first. One of the main reasons for enrolling my son is that he is being taught on his own level. I like that the classes are small and that the students get the individual attention when needed."

Parent Testimonial

"Phalen Leadership Academy IS FANTASTIC. My child transferred from a small town public school - kindergarten. Within 1 month at the prior school, he was in ISS, and had up to 30 strikes against him in one day. At Phalen, they help him learn on his level, work with his learning style, are compassionate about him as a student and as a person, engage him, love him, accept him and teach him as the normal little boy that he is."

Parent Testimonial

Dear Parents,

Kindergarten is a major turning point in the lives of children and parents alike. Early school experiences have lasting effects on a child's attitude about school, their self-esteem and future achievements. Fortunately, the best person to ensure that your children arrive at school ready to succeed is you! Allow us to partner with you on this new journey at Phalen Leadership Academies. We truly love our scholars and we believe in their ability to achieve. We hope that you find this information helpful and that you will locate the PLA school nearest you. We look forward to welcoming you!

Sincerely,

Earl Martin Phalen
