

Staff Coins and Core Values

At JRP, staff have the opportunity to earn 5 coins that align with our 5 Core Values (**Children First, Respect, Determination, Continuous Improvement, and Gratitude**). These coins represent the hard work and dedication our staff have given back to our scholars on a daily basis. Each coin comes with different incentives we present to each staff who earns them throughout the school year. JRP prides itself on rewarding and recognizing our staff who go above and beyond for our scholars day in and day out.

Core Values

Our drive to improve the lives of children is grounded in our core values:

Children First:

Work to ensure that all interactions & decisions put our scholars first

Respect:

Treat others as you would like to be treated

Determination:

With hard work and superior effort, we can achieve all things

Continuous Improvement:

Try to get better & better every day

Gratitude:

Demonstrate gratefulness for all that we have done & the opportunity to serve our scholars and communities
