

PLA@93 Phalen Flyer

February 5, 2021

Greetings PLA Families!

We are excited to welcome our scholars back to in-person learning! Our scholars in Kindergarten through 2nd grade worked very hard this week to complete their NWEA testing. If your child missed their assessment, they will be working with one of our teachers to complete it.

PLA@93 will be returning to in-person learning beginning on Monday, February 8th. Please keep in mind that the school doors will open at 7:20AM. All scholars that arrive in a car will need to wait in their car until having their temperature checked by a staff member. Masks are still required by all teachers, staff, and scholars.

Inclimate Weather- In the event of inclement weather, Phalen Leadership Academies will contact the local news stations to provide information to our families. In addition to that, PLA@93 will send an email and phone call to the number that you have on file with the school, to make you aware of any changes for that day. **We are anticipating severe weather conditions on the morning of our return, Monday, February 8th.** In the event that school is delayed or a transition to e-learning is needed this is the protocol we will follow.

As a reminder, please make sure your scholar has an **art box/ or zippered bag** when we return to school. Scholars will be asked to bring this to the art room so that we can avoid sharing supplies. Scholars in grades **K-2** should have crayons, scissors, a pencil, and a glue stick. Scholars in grades **3-6** should have crayons, scissors, a pencil, glue stick, and markers. If you want to purchase colored pencils that would be great! **Please note** - Some scholars did already have the above items. Please check to make sure they still have them.

Attention parents and guardians of 6th grade scholars! The enrollment process has started for our 2021-2022 school year. Attached to this email you will find a flyer that can be used to begin enrollment for your child at our middle school, James and Rosemary Phalen Middle School. Our middle/high school is located at 43rd & Mitthoeffer and will service scholars in grades 7- 12. If you are looking for a positive, personalized middle school experience for your child, consider enrolling today! Spaces are limited, but our current Phalen scholars receive priority by enrolling early. Simply scan the code on the attached flyer to begin enrollment. Check out our video on the link below!

Have you heard about PLA University?! PLA University is a tuition-free training program created to provide Phalen Leadership Academies' families with the access, skills, experience, and job placement support to realize their full earning potential. With its first pilot launching next year, PLA University will be based on Indy's Far Eastside and offer PLA family members an opportunity to choose from four career tracks including Technology, Advanced Manufacturing, Supply Chain and Logistics Management, and Health & Life Sciences. The free training will support family members in obtaining careers with starting salaries of \$30,000-\$50,000 per year plus benefits, and the opportunity for future career advancement. To learn more about PLA University, [visit PLAUniversity.org](http://visitPLAUniversity.org).

We will be distributing meal bundles with milk on **Monday, February 8**, from 10:00 AM to 6:00 PM at PLA@93, for the families of our scholars that are remaining virtual.

Reminder: There will be no school on Monday, February 15 in observance of President's Day.
