Dear Parents and Guardians,

It is with great pride and excitement that I write this letter of introduction to you as the newly appointed Principal of Main Preparatory Academy. I am honored to have the opportunity to lead a school with such a rich tradition of education! I have been dedicated to the field of education for more than seventeen years. I have worked with a variety of students' ranging in grades from K-12. My most recent administrative experience was in Canton, Ohio where I served as a Principal at a K-8 charter school. I am excited and eager to bring my skills as an educational leader to Main Preparatory Academy and work with you as a partner in education to ensure your child's success.

Along with the teachers and staff, I will work hard to continue the legacy of success established by building strong relationships with parents, students and community partners. We will focus on character education initiatives, Common Core skills, the use of data to drive instruction, and to provide consistent implementation of the curriculum in a rigorous manner so that we can continue to increase all of the students' achievement.

All of us at Main Preparatory Academy are eager and excited to begin what promises to be the best year ever. This year is going to be amazing as we continue to provide academic experiences for our students that are rigorous, relevant, and help them build relationships while making real-world connections. As your Principal, it is important to me that everyone who steps through our doors-teachers, students, and parents-are excited to be here! This attitude enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. My door is always open, and I welcome your input. Please feel free to call or email me to discuss any concerns you might have throughout the school year.

Warm regards,

Stephanie Eafford
