## WEEK TWO! WE GOT THROUGH!!

Families! Thank you so much for your flexibility and support this week with testing. It means a lot that you were able to stop everything to bring your scholar to the building 2 times this week! We, as a staff, loved seeing your children! We miss them in the building, tremendously! It's definitely not the same meeting someone online versus in person. We appreciate all of your support parents and guardians!!

**Meals:** Starting August 31st, meals will be distributed on **Mondays only**. There will be 5 day meal packs for both breakfast and lunch available from 11:00 - 1:00. Please drive around back for pick up.

**Attendance** - Parents, please remember, if your child is going to miss any classes this needs to be communicated to the school in order for them to be excused in our attendance system.

We are required to keep attendance in the traditional manner. As we look through attendance we will be reaching out to some parents to discuss why a scholar may be missing all or part of the day.

**MAP Testing** - Again, thank you all for your flexibility this week with testing. It went quite well. We have a few scholars who will finish up next week. This data will only help us serve your scholar better in each classroom. Specific results for each of your scholars will be sent to you soon.

**S.T.E.P.P. Advisory Reflection:** There are many computer needs and we as a staff want to hear from parents to better serve you. We had a small group on Tuesday but I believe the conversation allowed us to hear your specific needs and concerns, but also you were able to hear how to support your scholars as well. We want to keep this dialogue going. See below for the next session. ALL are invited!

**Help Desk:** PLA has a help desk to help meet your technology needs. Please see the link below.

**Calendar:** Attached you will find the school calendar. We will be sure to communicate other important dates weekly
