We help young scholars excel in academics and grow as well-rounded individuals ready to take on leadership roles in school, in their communities, and in the world.

At PLA, all of our children are scholars. We currently serve 8,000 scholars in 20 schools in Indianapolis, Indiana; Fort Wayne, Indiana; Gary, Indiana; Detroit, Michigan; and Tampa, Florida.

Our approach to leading successful schools builds on over 20 years of experience leading educational programs for children, the latest scientific research, and best practices throughout the nation. “My son is a recent transfer from another school. He’s only been at PLA for about a month and I love it!...His teacher and staff are all very caring and passionate about the kids and their education. My only regret is not enrolling him at PLA first.”  
– Parent Testimonial

“Phalen has become one of the country’s leading education reformers....”  
– David Von Drehle, *Time Magazine*

“Phalen Leadership Academy is fantastic.”  
– Parent Testimonial

“One of the main reasons for enrolling my son is that he is being taught on his own level. I like that the classes are small and that students get the individual attention when needed.”
